## Life Scout accomplishes rare achievement by earning all 137 available merit badges

Life Scout William Robertson, from Troop 242 in Newport News, recently earned all 137 merit badges available to Boy Scouts of America. It is estimated that less than 18 Boy Scouts per year nationwide achieve this feat. During a November Troop Court of Honor, Robertson was presented his final two merit badges. He set the goal of earning all merit badges when he was still a Cub Scout in Pack 242.
