Scout Earns 142 Merit Badges!

[December 14, 2015](#) · by [Gregg Hilferding](#) · in [News](#) ·

Ian Campbell, an Eagle Scout from Troop 104 in Lakeland, earned 142 merit badges during his time in Scouting. Though now 18, this achievement will stand the test of time and Ian is certain to proudly remember this and other accomplishments during his time with his troop.

Congratulations, Ian, on demonstrating the drive and determination to see projects through to conclusion. These traits will serve you well throughout your life.
