FREDERICK, MD - Frederick Boy Scout, Cody Evans, has taken his pledge to do your best to the next level.

His goal was to earn all 121 Boy Scout merit badges.

He's done everything from shotgun training to motor boating.

Next week, he'll receive his final badge at a Court of Honor ceremony.

He's had to overcome heart problems along the way, but says the hardest challenge was learning to play the bugle.

Evans said, "You either had a choice between a bugle or a trumpet, and you had to learn to play a couple of different songs, and I don't play any musical instruments so that was the hardest one for me to do."

The American Legion has also chosen Cody as the Maryland Eagle Scout of the Year.
